This is also the time for all members to get the opportunity to vote for who you want to have in the board, and to come together to summarize the LESS-year of 2019

## How do you nominate?

You can nominate yourself, your awesome friends or anyone you think would do an amazing job in the LESS Board. You can use the link in the Facebook event "Annual meeting - LESS board 2020" or send an email to:

## How does the LESS Board look like?

There are 8 positions to be filled for 2020. The different positions are:

### Board member:

The board consists of seven board members and a president. The board's main task is to plan and organize fun events and keep in contact and inspire our amazing members! Other tasks include managing and participate in board meetings, admitting new members, manage social media etc. As a member of the board you are also involved in representing LESS for Studentlund.

### President:

The president has the ultimate responsibility for the association. Furthermore, the president's job is to coordinate the activities of the board as such as the organisation runs smoothly, but also to participate in the tasks that the rest of the board members do.

### Treasurer:

This person has the responsibility for the society's economy and are otherwise a member of the board as the other board members.

### We also have the election committee:

The election committee is not a part of the board as they are responsible to fill the vacant positions at the annual meeting - their job is to find new board members and nominate candidates they find suitable.

**Do you think a new post or any other new changes is needed?**

If you do - submit a motion to the board at [info@lundsextremспорт.se](mailto:info@lundsextremспорт.se) no later than the 20th of November.

**What happens after the nomination?**

After the nomination deadline has passed, each nominee will receive a questionnaire to accept the nomination and then a list of questions from the election committee. Then the list of candidates will be summarised and explained by the election committee. Finally, this will be presented at the meeting on the 4th of December. The election will be held at the annual meeting on the 4th of December in AF-borgens Edilkammare. The meeting is open for everyone, but you need to be a member of LESS to be able to vote.
